Here is Hank's supplemental statement. I'll send Caitlin's mining reclamation memorandum next. The other documents are on the share drive (SRK memo under JLE docs and cost summary table).

Judge Dana and counsel - here's a supplement to our original position statement that refers to the CoCa settlement and its relevance to the current proceedings. I'm available throughout the rest of the month if we want to discuss settlement prior to the mediation.

Happy Holidays!

Hank
